Some places become part of a love story forever. For countless couples, that place is Bali..

At **Heritage Love Tales**, we are dedicated to documenting destination weddings with authenticity, artistry, and timeless elegance. We believe the most unforgettable moments are often the quiet ones, the look before the vows, the laughter between loved ones, and the emotions that unfold naturally throughout the day.

Every celebration is unique, yet every couple shares the same hope: to remember how it truly felt. That is why we focus on creating a love tales that are genuine, refined, and enduring.

These are not simply story from your wedding day. They are the beginning of your family's story, preserved for generations to come.
